ENID WORDSWORTH Q.S.M

19 November 1925 - 13 July 2019

Swimming Bay of Plenty mourn the passing of Life member Enid Wordsworth. Thank you, Enid, for your years of dedicated service. Enid epitomized what Swimming Bay of Plenty strives to achieve and her tenaciousness, positivity and sense of humor will be missed but forever remembered. Our thoughts and prayers are with her family.

Enid's involvement with Swimming spanned over 6 decades. Enid was one of the driving forces and foundation Member to establish the Greerton Amateur Swimming Club back in 1958.

It was at this point that Enid's legacy in swimming began.

Enid for many years instructed at club level concentrating on teaching budding swimmers to breathe in the proper manner.

Enid worked tirelessly in establishing the club, the day to day running of it, and fundraising for the actual construction of the Greerton Pool – the club's home base. She qualified as a Bay of Plenty Regional Timekeeper in 1970 and later qualified as a Judge/Inspector of Turns. The 1974 Commonwealth Games in Christchurch saw Enid poolside at the Queen Elizabeth Complex officiating as a timekeeper. Enid was always poolside officiating at National Meets right up to 2006. She had officiated at Oceania Meets, Masters' Meets both National and International, and Special Olympics Swimming Meets. Greerton Amateur Swimming Club had the benefit of her timekeeping skills at their domestic swim events right throughout the years of their existence until her health started to fail. In 1980 Greerton Club honored Enid by bestowing upon her Life Membership of their club having already previously awarded her a Long Service Award. Enid also served her club as a committee member for many years. Enid was extremely active at club level attending most committee meetings passing on invaluable information from her immense experience and vast fund of wisdom.

At a Regional level Enid was the Patron of Swimming Bay of Plenty. She actively promoted swimming at all levels. At regional level, as well as officiating at practically every regional event and Championship Meet run by the Region for many years. Enid also sat on several sub-committees. She was a Regional Examiner of Timekeepers and the Convener of the Regional Examiners Committee and was also the Convener of the Awards Committee. She was also a member of the Regional Technical Committee. Enid served as Bay of Plenty Regional Secretary from 1976 to 1980. She was a member of the Swimming Bay of Plenty Board in 1970 thru to the mid 1980's.

In 1972 she was awarded the Bay of Plenty Service Award and in 1984 Bay of Plenty honored her with Life Membership.

At a National level Enid was awarded the SNZ Service award in 1983 followed by Honors in 1994. She was one of the original members of the New Zealand Swimming Trust formed in 1991 and was elected to serve on the Trusts Committee in 2000. Enid was appointed to the SNZ Awards Committee in 1997 and filled this role for many years. Enid served on the SNZ Board in 1984. She was awarded SNZ Life Membership in 2009.

In 2002, Enid was awarded the Queens Service Medal for Community Service; this was in recognition for her valuable contribution to swimming.

Enid was dedicated, conscientious, much-loved and respected. Her service to our sport was tremendous. She inspired us all with her passion, dedication and hard work. She promoted this sport's many values at public and grass roots level.

REST IN PEACE ENID

Chair's Report

Our athletes have exhibited qualities that have not only helped them achieve their goals but also brought success to our clubs and Swimming Bay of Plenty.

This season we have seen some extraordinary results from our athletes. We had a total of 220 podium placings for the 2018/2019 season at National Competitions. This is quite remarkable. Our competitive numbers remain stable but there has been quite a significant drop in our overall membership particularly Club Swimmers. It is the Club Swimmers that are the foundation and we urge Clubs to be creative on how to get athletes in the pool. We need our kids to “fall in love” with swimming. We need to ensure we engage, excite, entertain and provide a family friendly swimming environment. We need to adapt to the changing needs of our children. We have a new generation of swimmers that we need to accommodate for.

I would like to extend my gratitude to each of the Board members. Each Board member has willingly brought their own expertise and experience and work tirelessly for the betterment of our swimmer and swimming community. My appreciation and gratitude to you all. I would particularly like to make special mention of Karen Nixon. Karen works quietly and efficiently in the back ground to keep things running smoothly.

Swimming Bay of Plenty has been committed to the issues placed before us throughout the year. We are on the eve of SNZ implementing a new Regional Constitution which will have impacts on our Clubs and how they currently operate. We have continued with our revitalization of our Swimming Bay of Plenty Brand and creating a better connection with our members. We understand the importance of this and want our members to feel a part of us. We want our swimmers to see and experience our vision. This year we have provided all National Representatives at our Awards Brunch with a branded towel and drink bottle. Our Junior Festival representatives were all issued with a branded T-Shirt.

In conclusion I have listed some highlights below and am looking forward to another productive year. We must look at the whole picture of swimming. We are always open to ideas and welcome input from clubs, coaches and members. There is still a lot to do.

What are we doing that we should **keep doing**? or what **is working**?

What are we doing that we should **stop doing**? Or what **is not working**?

What are we not doing that we could introduce to **improve** our performance? Or what are some **new things** we can do that will work.

The Junior League

To carry on with the success of the Inaugural Junior League in 2017/18 we continued with this programme with the aim to promote inter-club competitions for junior swimmers aged 12 and under and to encourage their progression in swimming and participation. Thank you to Liz van Welie Aquatics and Mount Maunganui Swimming Club for hosting Round One and Two. We believe that this format for our Juniors works well and continue to get great feedback on the format.

The Senior League

This season we introduced the Senior League with a similar format of fast quick racing as in the Junior League. The Seniors (13 and over) paid one flat fee and raced a maximum of three events. The coaching group believed the best format was in a 50m Pool which brought the Inaugural League to the 50m Pool at the Rotorua Aquatic Centre. It was a welcome return to a meet in the 50m Pool after many years' absence, but the weather Gods were not kind. However, some good race practice was gained on starts and turns for those athletes leading into Nationals. We will be bringing the Senior League back this season.

Junior Camp

It is always hard to pick a highlight within the swimming season but our annual SBOP Junior Camp is something we are very proud of. January 2019 was our 18th year and the most successful. 50 athletes gathered to learn about swimming technique, interact with coaches and swimmers, meet new friends, have an away-from-home experience and improve his/her swimming skills and endurance and a whole lot of fun in between. A special thanks to Riccardo. It was a privilege to watch him at work and see our athletes engaged.

Hosting the SNZ Junior Aquaknights Festival

We welcomed 32 Clubs and 340 athletes to Rotorua for the Swimming New Zealand Aquaknights Festival (Feb 2018). It was a privilege to host these athletes, clubs, parents and supporters. We have an exceptional relationship within our community, and this was integral to ensure we were able to deliver a great environment and a fun experience for all. We are looking forward to hosting the 2020 Junior Aquaknights Junior Festival.

Annual Awards Brunch

A fantastic turnout to our Annual Swimming BOP Awards Brunch. It was a privilege to acknowledge the achievements of our brilliant athletes, officials, coaches, teams, volunteers and supporters. What an immense contribution you all make to our sport.

Bronwen Radford
Board Chairperson

Technical Officials Report

Congratulations to all those officials who have completed and gained their assessments this year.

There has been a positive change, with existing technical officials choosing to up skill in various positions, both with BOP and Swimming NZ

In the past 12 months we have completed 48 assessments in total and have 6 JOS/Referees in training.

The focus of our technical committee is to encourage our existing team of officials to improve their skills, both at BOP and Swimming NZ levels. To do this, we encourage you to approach and talk to our assessors about what you would like to do and where you would like to be.

We would also like clubs to bear in mind that our assessors are more than happy to hold group tutorials on all position's trainees would like to aspire to. This is a positive way to get new swimmers parents involved as timekeepers etc from the start.

It is encouraging to see that officials are now using the BOP technical email to inform us of positions they cannot fill once the schedule of appointments is out. This allows us time to make other arrangements rather than arriving at the meet and not having positions filled.

Thank you to all our officials, both local and from outer regions who have assisted at our meets over the past year, it is rewarding to us as a committee when we have local officials and officials from outside regions approach us at a meet and ask if they can have a job. We look forward to seeing new faces on pool deck and completing many assessments over the coming year.

Swimming BOP Club Highlights

- ❖ Evolution Aquatics Tauranga was established, with LTS now including Katikati.
- ❖ Evo Chocolate Meet had over 100 Evo swimmers attend and Evo Winter Meet had 353 competitors, including NZ age group records being broken.
- ❖ NZ Age Group Champs finishing 4th ranked club in NZ, boys 2nd ranked male team in NZ including 35 medals and 18 BOP records
- ❖ Five Swimmers; Ruby, Tarquin, Louis, Talitha and Thomas being selected for NZ teams.

- ❖ Having 3 swimmers attending this years Junior Aquaknights Festival as this was the most amount of swimmers we have had at this event.
- ❖ After 5 long years working backwards and forwards with the Kawerau District Council the councillors finally heard of the struggles that we were going through. As we have not been heard in the past with in house management pushing us aside and not wanting to hear our problems. So as a committee and whanau we decided to put in a submission so the councillors were able to see where we were at. Carol and Justin searched and found 86 emails/letters/correspondence that talked or mentioned the our clubrooms. Over 20 supporting letters from our swimming whanau. The councillors agreed to have a meeting to discuss where to next. We have had a meeting with he Mayor, Deputy Mayor, KDC Engineering Officer and Chairperson of

Regulatory and Services Committee. We were able to start the ball rolling and get these clubrooms finally built. We as a club feel like after so many years we are getting heard and all the problems that we have had in the past are getting solved and settled.

- ❖ Having 13 Swimmers compete at this years Rising Stars event and coming away with loads of PBs and children coming away with belief that they can achieve greatness.
- ❖ This year was the most successful with the club having over 30 afternoon swimmers and over 100 swimmers attending our Learn to Swim Programs

- ❖ The strong team that we took to Dunedin to compete at the Div 2 championships
- ❖ Hosting the BOP Winter Dip at Greerton in June – the LVWASC's first meet.
- ❖ Launch of the new website – www.lvwasc.co.nz – a central portal/go-to about club information, FAQs, newsletters, etc.
- ❖ The Club's very first Prize Giving, with a range of awards and recognitions for junior swimmers through to national level.

- ❖ Mt Swimming Club winning the BOP relays
- ❖ Successfully getting through the Baywave closure
- ❖ Running a successful Hot Stuff Meet at Baywave
- ❖ Swimmers success resulting from commitment and drive as shown by Coach Stan

- ❖ Recruitment of our fantastic new Head Coach Andy McLay who hit the ground running on 1 June 2019
- ❖ Our Junior Team competed at the SBOP Championships in Rotorua on 8 December 2018, had an amazing experience as it was the first time for some of our team to race over two days, with fantastic results of 6 gold, 3 silver and 3 bronze medals
- ❖ Joint club night with the Te Puke Swimming Club on 2 March 2019 produced great swimming and sportsmanship
- ❖ 2019 Club Champs on 27 March with some amazing PB's

- ❖ Community: Making the Difference water safety programme 1500 tamariki given water skills tuition
- ❖ Club Development: New swimmer pathway introduced streamlining and measuring achievements
- ❖ Competitions: Central North Island Top Club
- ❖ Athlete achievements: catering and achieving for athletes from Junior Pan Pacs to junior festival with outstanding results

- ❖ Our XLR8 meet was a huge success again this year with entries reaching capacity before the close off.
- ❖ Keira and Toni performed well at NZ Short Course Championships coming home with 3 Golds, 1 Silver and 2 Bronze medals.
- ❖ Club nights have been well attended and we are working to build the pathway from learn to swim through to competitive swimming.

- ❖ Whakatane has had a strong year on both the junior and senior competitive fronts. Our junior swimmers picked up 33 placing at the 2018 BOP Junior Champs and 21 at the Junior Festival. Seniors had an exceptional year with PB performances by all national meet attendees and 32 top 10 rankings. These top performances yielded 5 National placing. We have also added over 15 new competitive swimmers to our ranks this year for further growth as our new squad structure reaches maturity.
- ❖ Successful submissions on behalf of WASC to the Long-Term Plan at WDC to cover the outdoor pool which results in more lane space for not only WASC but all user groups in the Whakatane District.
- ❖ WASC has seen squad numbers steadily increasing over the last year with the introduction of two further squads to assist in the transition between junior and senior development.
- ❖ WASC held the first Swim Camp in recent times for all swim club members in November 2018. It was well attended with over half of all members attending. Lots of new skills learned at the trainings over the 2 days. A junior swim camp is planned for November 2019 and a Senior Camp in early 2020.
